REGULATIONS FOR THE LEASING AND ADMINISTRATION OF LANDS, THE PROPERTY OF THE CROWN, CONTAINING LIMESTONE, GRANITE, SLATE, MARBLE, GYPSUM, MARL, GRAVEL, SAND, CLAY, VOLCANIC ASH, OR ANY BUILDING STONE, IN THE NORTHWEST TERRITORIES

1. These Regulations may be cited as The Quarrying Regulations.

2. In these Regulations:

- (a) "Department" means the Department of Mines and Resources.
- (b) "Locator" means the person who locates or stakes a quarrying location in the manner prescribed in these regulations.
- (c) "Minister" means the Minister of Mines and Resources.
- (d) "Quarrying Location" means a tract of Dominion land containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, clay, volcanic ash, or any building stone.
- (e) "Year" means a period of twelve calendar months.

3. Dominion lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand, clay, volcanic ash, or any building stone, in the Northwest Territories, may be leased to any person by the Minister at an annual rental of one dollar (\$1.00) an acre payable yearly in advance, for the purpose of quarrying out and removing therefrom stone or other material mentioned herein:

Provided that no lease for a quarrying location shall convey any right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals, within or under the land covered by the lease, or any exclusive right or other property or interest in, or any exclusive right or privilege with respect to any lake, river, spring, stream or other body of water within or bordering on or passing through the land covered by the lease:

And provided further that these regulations shall not apply to School Lands, or to any lands comprised within a National Park of Canada, or land reserved by Parliament or by Order of the Governor in Council, or Minister.

4. The term of the lease shall be twenty-one years renewable for a further period of twenty-one years, provided the lessee furnishes evidence, satisfactory to the Minister, to show that during the term of the lease he has complied fully with the conditions of such lease, and with the provisions of the regulations regarding the disposal and operating of quarrying locations which may have been made from time to time by the Governor in Council.

5. (1) Except as provided in this section no person shall be allowed to locate more than one quarrying location:

Provided that a person who has been granted a lease for a location, and who subsequently abandons or assigns the same, may after the expiration of twelve months from the date of the said lease, be permitted to make another location:

Provided, further, however, that such right of relocation shall not be granted unless all payments on account of rent, or other liability to the Department, due by such person, have been fully made, up to the date of registration by the Department of the assignment of his right to such lease, or up to the date upon which the notice of his abandonment of the same was received by the Department.

(2) More than one location may also be acquired under the provisions of these regulations by any Local Administrative District requiring the material described in the application for the construction or maintenance of works or improvements in such district, and personal application for such locations may be made on behalf of the Local Administrative District by any of its responsible officers; provided that a Local Administrative District, acquiring by application under these regulations more than one lease, shall not be at liberty to sell or otherwise dispose of any of the material taken out under the authority of such leases, and it will be necessary to furnish the department with a statement, made under affidavit, on the 1st of November in each year, showing the quantities of material taken out during the year, the lands from which such material has been taken, and a declaration to the effect that no portion of the material so taken out was sold, or otherwise disposed of. Failure to comply with this provision of the regulations will render the leases subject to cancellation in the discretion of the Minister.

6. Application for a quarrying location shall be filed by the locator in person with the Agent of Dominion Lands for the district in which the location is situated, within thirty days from the date upon which the location applied for was staked in accordance with section eight of these regulations. If, however, the location is situated more than one hundred miles by travelled route from the office of the Agent of Dominion Lands, the locator shall be allowed one additional day for each ten miles, or fraction thereof, in excess of one hundred miles. If the application is not filed within the time prescribed, it shall not be considered.

7. (1) Application for a quarrying location shall be in duplicate and shall contain a description by metes and bounds of the location applied for, and shall be accompanied by a plan in duplicate showing the position of such location in its relation to some prominent topographical feature or other known point. The plan shall contain sufficient data to admit of the position of the location applied for being definitely shown in the records of the Department. The maximum area of the location shall be forty acres and it shall not exceed one-half mile in its greatest dimension, nor shall the length exceed twice the breadth. The location shall be rectangular in form except where a boundary of a previously located tract is adopted as common to both locations.

(2) The application shall be accompanied by evidence, supported by affidavit of the locator, to show that the following requirements have been fully complied with:—

(a) That the location contains, in merchantable quantities, material of the class applied for by the locator:

(b) That the location has been defined on the ground by the locator in person by planting two wooden posts, at least four inches square and standing not less than four feet above the ground, such posts being numbered "1" and "2" respectively. The distance between post No. "1" and post No. "2" shall not exceed

2,640 feet, and upon each post shall be inscribed the name of the locator, the class of material which the land contains, and the date of the location. Upon Post No. "1" there shall be written, in addition to the foregoing, the words "Initial Post," the approximate compass bearing of post No. "2" and a statement of the number of feet lying to the right, and to the left of the line between post No. "1" and post No. "2". Thus (initial post, direction of post No. "2" is. . . . feet lie to the right and. . . . feet to the left of the line between post No. "1" and post No. "2").

When the tract which an applicant desires to lease has been located he shall immediately mark the line between post No. 1 and post No. 2, so that it can be distinctly seen, in a timbered locality by blazing trees and cutting underbrush, and in a locality where there is neither timber nor underbrush he shall set posts of the above dimensions or erect mounds of earth or rock not less than two feet high and two feet in diameter at the base in such a manner that the line may be distinctly seen.

(c) All the particulars required to be inscribed on posts No. 1 and No. 2 shall be set out in the application.

(d) The locator shall post a written or printed notice on a conspicuous part of the location applied for, setting out his intention to apply for a lease of the quarrying rights under the said location, within the time prescribed in these regulations.

8. Where two or more persons lay claim to the same location, or to portions of the same locations, the right to acquire a lease shall be in him who can prove to the satisfaction of the Agent of Dominion lands that he was the first to take possession of the tract in dispute by demarcation in the manner prescribed in these regulations, and that he made application for a lease thereof within the specified time.

9. The lessee shall commence active operations on his leasehold within one year from the date upon which he may be notified by the Minister to do so, and shall quarry out or remove from such location the quantity of stone or other material covered by the lease, as the case may be, specified in the said notification. Such notification shall not be given until the expiration of at least one year from the date of the lease, and shall set out the quantity of stone or other material which the lessee is required to quarry out from such location, which quantity may be increased from time to time, upon thirty days' notice to that effect being given to the lessee, but in no case shall the maximum quantity of stone or material required to be taken out exceed five cubic yards per annum for each acre leased. In case operations are not commenced within the time specified in the notice, or if the required quantity of material is not quarried out during each year, the lease may be cancelled by the Minister.

10. The lessee shall not assign, transfer or sublet the rights described in his lease, or any part thereof, without the consent in writing of the Minister being first had and obtained.

11. The boundaries beneath the surface of quarrying locations shall be the vertical planes or lines in which their surface boundaries lie.

12. The lease shall be in such form as may be determined by the Minister, in accordance with the provisions of these regulations.

13. A fee of five dollars shall accompany each application for a lease, which will be refunded if the rights applied for are not available, but not otherwise.

14. The locator shall be given a period of thirty days from the date of the receipt of his application within which to pay to the Agent of Dominion lands the full amount of the rental for the first year of the term of the lease, at the rate of one dollar (\$1) per acre, and upon the receipt of such rental, if the application is granted, the lease shall be issued and shall bear date the day upon which it is so issued, or the date of the acceptance of the application, whichever may be the earlier. If the rental is not paid within the time specified, the application shall absolutely lapse, and the right applied for shall become available for other disposition.

15. If, during the term of the lease, the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar (\$1) an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister and to the immediate forfeiture of all rights granted thereunder.

16. A person operating a quarrying location shall furnish the Agent of Dominion Lands for the district in which the location is situated, with sworn returns every six months, or at such times as the Minister may direct, accounting for the full quantity of merchantable stone or other material quarried out or removed from the location.

17. Every lessee of quarrying rights which are not being operated shall furnish the Agent of Dominion Lands with a sworn statement to that effect at least once in each year.

18. In case the surface rights of a quarrying location are covered by a timber licence, grazing or petroleum lease, mining claim or other form of terminable grant which does not contemplate the issue of patent, the lease shall not authorize entry thereon except the permission of the Minister is first had and obtained and such permission shall be given subject to such conditions for the protection of rights of such lessee or licensee as it may be considered necessary to impose.

19. (1) In case the mineral rights in any land comprised within a quarrying location are or have been disposed of by the Crown and the lessee of such mineral rights cannot make any arrangement with the lessee of the quarrying location, or his agent, or the occupant thereof, for entry upon the location, or for the acquisition of such portion of the surface rights as may be necessary for the efficient and economical operation of such mineral rights, he may apply to the Minister for permission to submit the matter in dispute to arbitration. Upon receiving such permission in writing it shall be lawful for the lessee of the mineral rights to give notice to the lessee of the quarrying location, or his agent, or the occupant, to appoint an arbitrator to act with another arbitrator named by the lessee of the mineral rights in order to determine what portion of the surface rights the latter may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the exact position thereof, and the amount of compensation to which the lessee of the quarrying location, owner or occupant shall be entitled.

(2) The notice mentioned in this section shall be according to a form to be obtained upon application to the Agent of Dominion Lands, for the district in which the lands in question lie, and shall when practicable, be personally served on such lessee of the quarrying location, or his agent, if known, or occupant, and after reasonable efforts have been made to effect personal service without success, then such notice shall be served, by leaving

it at, or sending it by registered mail to the last known place of abode of the lessee of the quarrying location, agent or occupant, and by posting a copy in the office of the Agent of Dominion Lands for the district in which the land in question is situated. Such notice shall be served if the lessee of the quarrying location or his agent resides in the district in which the land is situated, ten days, if out of the district, and if in the province or territory, twenty days, and if out of the province or territory thirty days, before the expiration of the time limited in such notice. If, within thirty days from the date of the service of such notice, the lessee of the quarrying location, or his agent, or occupant, refuses or declines to appoint an arbitrator, or when, for any reason no arbitrator is so appointed in the time limited therefor in the notice provided for by this section, the agent of Dominion Lands for the district in which the lands in question lie, shall forthwith, on being satisfied by affidavit that such notice has come to the knowledge of such lessee of the quarrying location, his agent, or occupant, or that such lessee, agent, or occupant, wilfully evades the services of such notice, or cannot be found, and that reasonable efforts have been made to effect such service and that the notice was left at the last place of abode of such lessee, agent or occupant, appoint an arbitrator on his behalf.

20. In case the two arbitrators cannot agree upon the award to be made, they may, within a period of ten days from the date of the appointment of the second arbitrator select a third arbitrator, and when such two arbitrators cannot agree upon a third arbitrator, the Agent of Dominion Lands for the district in which the land in question is situated, shall forthwith select such third arbitrator.

21. All the arbitrators appointed under the authority of these regulations shall be sworn before a Justice of the Peace to the impartial discharge of the duties assigned to them, and after due consideration of the rights and needs of both lessees, they shall decide as to the particular portion of the surface rights which the lessee of the mineral rights may reasonably acquire for the efficient and economical operation of the rights and privileges granted him under his lease, the area thereof, and the amount of compensation therefor to which the lessee of the quarrying location or occupant shall be entitled.

22. In making such valuation, the arbitrators shall determine the value of the land irrespective of any enhancement thereof from the existence of minerals therein or thereunder.

23. The award of any two such arbitrators made in writing shall be final, and shall be filed with the Agent of Dominion Lands for the district in which the land is situated within twenty days from the date of the appointment of the last arbitrator. Upon the order of the Minister the award of the arbitrators shall be immediately carried into effect.

24. The arbitrators shall be entitled to be paid a per diem allowance of ten dollars (\$10) together with their necessary travelling and living expenses while engaged in the arbitration, and the cost of such arbitration shall be borne by the lessee of the mineral rights.

25. The lessee of a clay location shall, within two years from the date of the lease, erect upon the lands described therein, or on lands acceptable to the Minister, a plant suitable for the manufacture of brick or other clay products, and he shall, within the same period, furnish evidence, supported by affidavit, showing the character and value of the

plant installed and the date of its installation. If the required plant is not installed within the time specified, and if evidence of its installation is not furnished within the same time, the lease shall be subject to cancellation in the discretion of the Minister. Provided, however, that the Minister shall not require that the value of the plant so installed shall exceed the sum of \$10,000.

26. The lessee of a clay location shall, during each year of the term of the lease after the second year, manufacture from his leasehold and produce ready for shipment not less than 100,000 bricks, or their equivalent in some other form of clay products, to the satisfaction of the Minister. If during any year, after the second year of the term of the lease, the lessee fails to manufacture the quantities specified, or fails to furnish satisfactory evidence of his having done so, the lease shall be subject to immediate cancellation in the discretion of the Minister.

27. The Fees to be charged in connection with the administration of these regulations shall be as follows:

Application for lease.. . . .	\$5.00
Recording an Assignment.. . . .	3.00
Renewal of lease.. . . .	5.00

Where the fee for a twelve months' period of operation is \$40 or more, the fee may be paid in equal instalments, quarterly or half yearly. Les redevances des stations radiophoniques doivent être acquittées d'avance tous les mois.

(2) Toutes les redevances échues, soixante jours après la date à laquelle l'Association a déposé à la poste régulière un avis par écrit, adressé à la personne dont on réclame la redevance, en en spécifiant le montant, seront sujettes à un paiement supplémentaire de dix pour cent et à tous autres recours auxquels l'Association peut avoir droit.

(3) La redevance pour une période autorisée sera basée sur l'étendue de l'exécution des œuvres musicales à produire pendant la période autorisée, tel que déclaré par le titulaire dans sa demande de licence. Dans le cas où l'exécution d'un programme musical excédera le temps spécifié dans la demande, le titulaire devra promptement avvertir l'Association de ce fait et payer la redevance supplémentaire pour le temps dépassé, conformément aux tarifs de l'Association. Si le titulaire néglige de donner à l'Association un avis de ce genre ou de payer la redevance supplémentaire susdite, alors a) tout l'argent payé sur la licence pour la période courante sera appliqué par l'Association comme acompte sur la redevance pour la licence due en conformité du surtemps exigé pour l'exécution, et b) la période autorisée sera censée être la partie de la période pour laquelle l'argent payé suffit amplement à couvrir les redevances de la licence suivant le tarif approuvé; c) la licence peut être annulée par l'Association trente jours après la date à laquelle l'Association aura déposé à la poste régulière un avis par écrit adressé

addressed to the holder of the licence, advising him of the Association's intention to cancel the licence. mediately after the close of the Exhibition, the Exhibition management is required to certify the total actual attendance and the Licensee then to make payment of any balance due.

For the purposes of this tariff an Exhibition at which there is a total attendance of at least 50,000 persons is considered a "large Exhibition".

5. DANCE HALLS, RESTAURANTS, SKATING RINKS, SPORTS GROUNDS

(Premises which are not licensed to sell beer, wines and/or spirituous liquor and small hotels whether licensed or not licensed for the above purposes).

NOTE.—The tariff of fees prescribed for hotels applies to the use of music other than by way of radio receiving sets and gramophones and to which the exemption within the terms of Section 4 of Chapter 27, 2 George VI, 1938, does not apply.

The Licensee is offered the choice of the following Alternative Tariffs. Of course not more than one tariff is chargeable for the same musical performance.

Minimum Annual Fee in all cases, \$5.

A "performer hour" is defined as one hour of any musical performance by one performer (musician, orchestra leader or vocalist).

Annual Fees are determined as follows:

(a) *The Maximum Use Basis of Charge:*

A licence on this basis entitles the Licensee to perform to any extent within the maximum use as applied for. The rate is 1½ cents for each "performer hour" calculated on the maximum number of "performer hours". The maximum number of "performer hours" is arrived at by multiplying together the following four factors:—

- (1) The greatest number of performers (including musicians, orchestra leader and vocalists) that may be employed at any time during the licence year.
- (2) The greatest number of hours of all or any musical performance during which is desired a licence to perform in any day wholly or in part from the Association's repertoire.
- (3) The greatest number of days per week during which a licence is desired.
- (4) The number of weeks occurring between the opening and closing dates of the period of time within which musical performances may take place. Any period less than thirteen weeks is charged as thirteen weeks.

(b) *The Actual Use Basis of Charge:*

On this basis the rate is 3 cents per "performer hour" on the actual number of "performer hours" reckoned on a day by day basis during the licence year. At the commencement of the year, the number of "performer hours" for the year shall be estimated by the applicant and an advance payment shall be made for the amount of the fee chargeable thereon. The Licensee shall report, at the end of the licence year or of each operating season within the licence year, the actual number of "performer hours" during such period, giving dates and times of all musical performances and the number of performers engaged thereat. At such times the Licensee shall make payment of any balance due.

rance d'une exposition est tenue, immédiatement après la fermeture de cette dernière, de certifier le nombre total effectif des entrées et le titulaire de licence doit alors verser tout solde qui reste dû.

Pour les fins du présent tarif, une exposition dont le total des entrées s'élève à 50,000 personnes au moins est considérée comme une "exposition importante".

5. SALLES DE DANSE, RESTAURANTS, PATINOIRES, TERRAINS DE JEUX

(Locaux non autorisés à vendre de la bière, des vins, ou des alcools et petits hôtels pourvus ou non d'une licence pour les fins ci-dessus).

NOTE.—Le tarif des redevances prescrites pour les hôtels vise l'exécution d'œuvres musicales autrement que par la radio ou les phonographes et auxquelles ne s'applique pas l'exemption prévue à l'article 4 du chapitre 27, 2 George VI, 1938.

Le titulaire de licence a le droit de choisir entre les tarifs alternatifs suivants. Naturellement, il ne peut être imposé plus d'un tarif pour la même exécution musicale.

Redevance annuelle minimum dans tous les cas, \$5.

Une "heure d'exécutant" comprend une heure d'exécution musicale par un seul exécutant (instrumentiste, chef d'orchestre ou chanteur).

Les redevances annuelles sont fixées comme suit:

a) *Sur base du maximum:*

Une licence accordée d'après cette base donne droit au titulaire de procéder à toute exécution qui restera dans les limites du maximum mentionné dans la demande de licence. Le taux est de 1½c. pour chaque "heure d'exécutant" calculé sur le nombre maximum "d'heures d'exécutant". Ce nombre maximum "d'heures d'exécutant" s'obtient en multipliant les uns par les autres les quatre facteurs suivants:

- (1) Le plus grand nombre d'exécutants (comprenant les instrumentistes, le chef d'orchestre et les chanteurs) qui peuvent être employés en tout temps pendant l'année de la licence;
- (2) Le plus grand nombre d'heures d'une seule ou de toutes les exécutions musicales pour lesquelles on désire une licence afin d'exécuter en tout ou en partie le répertoire de l'Association;
- (3) Le plus grand nombre de jours par semaine que l'on désire inclure dans une licence.
- (4) Le nombre de semaines entre les dates d'ouverture et de fermeture de la période pendant laquelle des exécutions musicales peuvent avoir lieu. Toute période inférieure à treize semaines est facturée à treize semaines.

b) *Sur base réelle:*

Sur cette base, le taux est de trois cents pour chaque "heure d'exécutant", calculé d'après le nombre réel "d'heures d'exécutant" au jour le jour pendant l'année de la licence. Au commencement de l'année, le nombre "d'heures d'exécutant" pour l'année sera établi par le requérant et un paiement anticipé sera effectué pour le montant de la redevance exigible. A la fin de l'année de la licence, ou de chaque saison active pendant l'année de la licence, le titulaire rapportera le nombre réel "d'heures d'exécutants" pendant une telle période, en donnant les dates et les heures de toutes les exécutions musicales et le nombre d'exécutants qui y ont participé, le titulaire devant à cette occasion faire remise de tout solde dû.

Ce taux est fixé de la manière suivante:

If the hotel's average daily occupancy in the months within which music is at times performed is 80 per cent or over, the rate is 1c. If occupancy falls below 80 per cent, the rate is 1c. less a deduction of 2 per cent thereof for each 1 per cent that occupancy falls below 80 per cent.

DEMANDES AU PARLEMENT

SÉNAT

On peut obtenir gratuitement des copies des règles du Sénat relatives aux avis et demandes de bills de divorces en s'adressant au

**Greffier du Sénat,
Ottawa.**

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs, ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs) d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçu par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé.

La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un

avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et cela doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examineur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

- | | |
|--|--------|
| a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache | \$ 100 |
| b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session | 100 |
| c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session | 200 |

- | | |
|---|-----|
| d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000 | 100 |
| e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000 | 200 |
| f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000 | 300 |
| g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000 | 400 |
| h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000 | 600 |
| i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000 | 800 |
| j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million | 200 |

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ces promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) ou c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de réviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il enferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, le paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont laeneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchement ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

CP 5027 du 8 déc. 1947

3. Section X, sous-section 5, *supprimer* le sous-titre—

“Logements des hommes mariés, mariages, etc. (armée permanente).

Autorisation du mariage

Officiers”

et y *substituer*:

“Contrôles des hommes mariés—Armée active”

4. *Supprimer* les paragraphes 931 à 933 inclusivement et y *substituer*:

931. Définition—*a)* Aux fins de la présente sous-section, un “enfant à charge” d’un officier ou soldat signifie un fils légitime, une fille légitime, un beau-fils, une belle-fille, un fils (ou une fille) adopté légalement, qui

(i) n’a pas 18 ans ou ne peut gagner sa vie à cause d’une infirmité mentale ou physique;

(ii) de droit ou de fait, est à la garde et sous la surveillance de l’officier ou du soldat;

(iii) est à la charge de l’officier ou du soldat pour sa subsistance; et

(iv) n’est pas mariée, quand il s’agit d’une fille, d’une belle-fille ou d’une fille légalement adoptée.

b) Aux fins de *a)* (ii) du présent paragraphe, lorsqu’un officier ou soldat est divorcé ou brouillé et ne vit plus avec sa femme

(i) un enfant est “de droit ou de fait à la garde et sous la surveillance de l’officier ou du soldat” quand

a) il existe un décret ou jugement de cour dont la teneur accorde la garde de l’enfant à l’officier ou au soldat, ou ne fait aucune mention de l’enfant mais que l’enfant est réellement à la garde de l’officier ou du soldat, ou

b) un décret ou jugement de cour ou un acte de séparation n’existe pas mais que l’enfant est réellement à la garde de l’officier ou du soldat.

(ii) un enfant n’est pas “de droit ou de fait à la garde et sous la surveillance de l’officier ou du soldat” quand il existe un décret ou jugement de cour ou un acte de séparation qui confie la garde de l’enfant à l’épouse.

932. Chaque unité doit tenir à jour un état nominatif appelé “Contrôles des hommes mariés”.

933. Sous réserve de toutes restrictions prescrites par le Ministre, les “Contrôles des hommes mariés” comprennent tout officier ou soldat régulièrement incorporé ou enrôlé dans l’Armée active, qui a été en activité de service durant la période commençant le 10 septembre 1939, ou qui a atteint, quand il s’agit d’un officier, l’âge de 25 ans (pourvu qu’un soldat porté sur les Contrôles des hommes mariés en recevant sa commission n’en soit pas rayé parce qu’il n’a pas atteint l’âge de 25 ans), ou 23 ans quand il s’agit d’un soldat s’il

a) est marié, sauf quand

(i) il est brouillé et ne vit pas avec sa femme, ou que

(ii) sa femme vit aux frais d’une autorité publique; ou

b) a au moins un enfant à sa charge.

5. Ajouter les nouveaux paragraphes 934 et 935:

934. *a)* Quand un officier ou soldat porté sur les Contrôles des hommes mariés divorce ou se sépare, ou quand il se présente une circonstance qui l’empêche de rester sur les Contrôles des hommes mariés, il doit en avvertir immédiatement son commandant qui transmettra le renseignement, par l’intermédiaire du commandant de région, à l’adjudant général.

b) Quand le commandant est au courant de circonstances indiquant qu’il n’est plus désirable de continuer à porter un officier ou soldat sur les Contrôles des hommes mariés, il doit signaler ces circonstances, par l’intermédiaire du commandant de région, à l’adjudant général.

935. Les Contrôles des hommes mariés ont pour but de fournir un état nominatif des officiers et soldats qui s’efforcent de maintenir une vie familiale normale et qui ont droit à certaines compensations quand les exigences du service détruisent cet équilibre. Ils ne visent pas à établir un état nominatif des officiers et soldats qui ont des enfants légitimes à charge. Sous réserve seulement des limites d’âge prescrites au paragraphe 933 et de la ligne de conduite du ministère, l’adjudant général peut porter n’importe quel officier ou soldat sur les Contrôles des hommes mariés ou l’en rayer, conformément au but proposé. 936-940 libres.

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs, ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçu par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédient l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé.

La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un

avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et cela doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

- a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache \$ 100
- b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session... 100
- c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session 200

- d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000... 100
- e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000... 200
- f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000... 300
- g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000... 400
- h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000... 600
- i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000... 800
- j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million... 200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ces promoteurs n'auront pas solder les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) ou c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchement ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

ROYAL WARRANT

The Medal for Long Service and Good Conduct (Military)

GEORGE R.I.

GEORGE THE FIFTH, by the Grace of God, of Great Britain, Ireland and the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come,

GREETING:

Whereas His late Majesty King William the Fourth did by Order signified to the Secretary at War and dated the 30th day of July, 1830, institute a silver Medal to be granted to discharged soldiers of Our Army receiving a gratuity for meritorious conduct, the Medal having on one side the words "For Long Service and Good Conduct" and on the other side in relief the King's Arms with the name and rank of the soldier, and the year inscribed thereon:

And whereas the existing regulations governing the award of the Medal are laid down in Our Regulations for Our Army, and Our Warrant for the Pay, Appointment, Promotion and Non-Effective Pay of Our Army:

And whereas Her late Majesty Queen Victoria by a Warrant under Her Sign Manual dated the 31st day of May, 1895, did approve of the grant of medals for meritorious service, for distinguished conduct, and for long service to warrant officers, non-commissioned officers and men of Our Indian Forces, of Our Colonial Forces, and of Forces raised for Our Service in countries under Our Protection:

And whereas We are desirous that throughout Our Empire and territories under Our protection there may be one Medal to reward the Long Service and Good Conduct of warrant officers, non-commissioned officers and men of Our Regular Army and the other Permanent Forces of Our Empire and territories under Our protection hereinafter referred to as the other Permanent Forces of Our Empire and that thereby the Imperial character of such service may be recognized:

And whereas it has been represented to Us that the grant of the aforesaid Medal to duly qualified members of Our Regular Army and the other Permanent Military Forces of Our Empire would be highly prized by them:

And whereas We deem it expedient to make, ordain and establish rules and ordinances under Our Sign Manual for the governance of the aforesaid Medal:

Now, therefore, We do by these Presents for Us, Our Heirs and Successors make, ordain and establish the following rules and ordinances, which shall henceforth be inviolably observed and kept:

Firstly: It is ordained that the Medal shall be designated "The Medal for Long Service and Good Conduct (Military)".

Secondly: It is ordained that the Medal shall be of silver and shall bear in relief on the obverse the Royal and Imperial Effigy and on the reverse the inscription "For Long Service and Good Conduct".

Thirdly: It is ordained that the Medal shall be worn suspended on the left breast by a crimson ribbon, edged white, one inch and a quarter in width.

Fourthly: It is ordained that the Medal shall in all cases bear a subsidiary title to denote whether at the time the recipient qualified for the award of the Medal he was serving in Our Regular Army or in one of the other Permanent Forces of Our Empire, such subsidiary title being specified in the regulations hereinafter mentioned and inscribed on a bar attached to the mount of the Medal.

Fifthly: It is ordained that the Medal shall be awarded to warrant officers, non-commissioned officers and men of Our Regular Army and of the other Permanent Forces of Our Empire who complete eighteen years' service as defined in the regulations hereinafter mentioned and whose character and conduct have been irreproachable and who are recommended by their Commanding Officer.

Sixthly: It is ordained that service as aforesaid rendered by a soldier whilst under the age of eighteen years shall reckon as qualifying service for the Medal, and that service in West Africa and in certain parts of the Anglo-Egyptian Sudan as specified in the regulations hereinafter mentioned shall reckon two-fold as qualifying service.

Seventhly: It is ordained that service in a Reserve or in any Militia, Territorial, Volunteer or Auxiliary Military Force or in any other force or organization not involving whole-time military service shall not reckon as qualifying service for the Medal, except that when such Reserve, Militia, or Force is mobilized, embodied or called out on permanent service in an emergency, the period during which a member of such Reserve, Militia, or Force is actually employed on whole-time service shall reckon as qualifying service.

Eighthly: It is ordained that the Medal shall not be awarded to natives in respect of service in corps for which special medals for long service and good conduct are already granted and nothing contained in this Warrant shall affect the conditions governing the award of such Medals.

Ninthly: It is ordained that it shall be competent for Our Army Council in regard to Our Regular Army or, for the Governors-General, Governors or Officers administering the Government, as the case may be, in regard to the Permanent Force of one of Our respective Dominions, Colonies, or territories under Our protection, or for Our Viceroy in regard to Our Indian Army to cancel and annul the award of the Medal to any person, together with the award which may be granted under the regulations hereinafter mentioned of any gratuity appertaining thereto not already paid, and also to restore a forfeited Medal, together with any such gratuity, under the conditions laid down in the regulations hereinafter mentioned.

Tenthly: It is ordained that the Medal shall be awarded under such regulations as to grant, forfeiture, restoration, and other matters, in amplification of these Our rules and ordinances as may, with Our approval signified through one of Our Principal Secretaries of State, be issued from time to time by Our Army Council in regard to Our Regular Army or by the Governor-General, Governors or Officers administering the Government as the case may be, in regard to the Permanent Forces of Our respective Dominions, Colonies, or territories under Our protection, or by Our Viceroy in regard to Our Indian Army.

Lastly: We reserve to Ourselves, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these rules and ordinances, or any part thereof, by a notification under Our Sign Manual.

The Warrant of Her late Majesty Queen Victoria dated the 31st day of May, 1895, in so far as it relates to the grant of medals for long service, is hereby cancelled.

Given at Our Court at St. James's this 23rd day of September, in the 21st year of Our Reign, and in the year of Our Lord one thousand nine hundred and thirty.

By His Majesty's Command,

T. SHAW.

Whereas His late Majesty King George the Fifth, by a Warrant under His Sign Manual dated the 23rd day of September, 1930, was pleased to make, ordain and establish rules and ordinances for the governance of the Medal for Long Service and Good Conduct (Military), reserving to Himself, His Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with those rules and ordinances, or any part thereof by a notification under Royal Sign Manual;

And Whereas We are desirous of providing for the additional award to a warrant officer, non-commissioned officer or man who completes a further eighteen years service, of a Clasp to be attached to the ribbon by which the medal is suspended or, if in possession of the Long Service and Good Conduct Medal (Army), for the award of the Long Service and Good Conduct Medal (Military);

Now, therefore, We do by these Presents for Us, our Heirs and Successors ordain and appoint that the Fifth Clause of the said Warrant shall be amended by the following addition after the word "Officers" of the following sub-paragraph:—

Given at Our Court at St. James's this 26th day of August, 1944, in the 8th Year of Our Reign.

And whereas We are desirous of amending the date of eligibility for the award of the clasp to the Long Service and Good Conduct Medal (Military) as instituted by a Warrant under Our Sign Manual dated the 26th day of August, 1944;

And whereas We are desirous of amending the date of eligibility for the additional award of the Long Service and Good Conduct Medal (Military) as ordained by a Warrant under Our Sign Manual dated the 26th day of August, 1944;

And whereas We are also desirous that those warrant officers, non-commissioned officers and men who are subsequently granted a Commission should not, in certain circumstances, be debarred from the award of the said medal or clasp;

REGULATIONS

The Canadian Medal for Long Service and Good Conduct (Military)

1. (a) The award of the Canadian Medal for Long Service and Good Conduct (Military) to warrant officers, non-commissioned officers and men of the Permanent Force is governed by the Royal Warrants dated 23rd September 1930, 26th August 1944 and 1st May 1947.

- (b) When initiating a recommendation, the commanding officer is the sole judge of the standard of conduct required, and will be responsible for recommending only such soldiers as are in every way worthy of this distinction and whose character has been exemplary. When a soldier is eligible by length of service (18 years in the Permanent Active Militia) regard will be had to his conduct and character throughout his service, and to the number and nature of offences recorded in his conduct sheets, irrespective of the punishments which may have been awarded.
- (c) Service of a soldier under 18 years of age may be included in the 18 years' service required to qualify, also service in the Canadian Expeditionary Force, mobilized or embodied service in any Militia or Territorial Force of the Empire and previous service in the Permanent, Naval, Military or Air Forces of the Empire, if acknowledged on attestation, provided that during such service the character and conduct of the individual was of such a standard as to qualify him for the Medal for Long Service and Good Conduct under the regulations which obtain in the respective forces, and that such service has not been reckoned towards the award of any other long service or efficiency medal. Service of European soldiers in West Africa and in certain parts of the Anglo-Egyptian Sudan is allowed to reckon double as qualifying service.
- (d) When any warrant officer, non-commissioned officer or man completes 18 years' service in the Permanent Active Militia and fulfills the conditions laid down in sub-para (b), a company, etc., commander will bring the soldier's name to the attention of the commanding officer, but the fact that a soldier fulfills the conditions gives him no claim to the medal.
- (e) Recommendations for the Canadian Medal for Long Service and Good Conduct (Military) will be forwarded to the officer commanding the command, accompanied by the original regimental and, where they exist, company conduct sheets for the whole of the man's service, and certified copies of his record of service and civil convictions, if any, together with a certificate that the man is eligible for the award of an exemplary character.
- (f) If the original conduct sheet has been lost, a new sheet will be substituted for it, and the recommendation will be forwarded supported by this, and by a certificate by the commanding officer that the soldier is not ineligible for the award of an exemplary character by reason of entries in any official document in his custody. The recommendation of the soldier's commanding officer will be required in every case, and the underlying principal as expressed in sub-para (b) will be maintained.
- (g) The names of the recipients of the Medal will be published in General Orders, and the Medal will be forwarded to the officer commanding the command concerned by Army Headquarters. The Medal of an individual still serving, will be presented at a review order regimental parade. If the unit is quartered with other troops, the commanding officer will report the receipt to the officer commanding troops at the station, who may order a general parade for the presentation.
- (h) Should a Medal be lost, the case will be dealt with in accordance with paras 1343 to 1345, inclusive, King's Regulations and Orders for the Canadian Army, 1939.
- (i) When a soldier awarded the Medal is convicted of an offence which renders him ineligible for an exemplary character, and in any other case where the commanding officer considers that the soldier's conduct has been such as to disqualify him from wearing the Medal, the commanding officer will at once report the case, with full remarks and certified true copies of conduct sheets, to the Department of National Defence, through the usual channels, for consideration of the Minister.
- (j) All questions involving forfeiture and restoration of the Medal will be dealt with in accordance with para 1348, King's Regulations and Orders for the Canadian Army, 1939.

- (k) A warrant officer, non-commissioned officer or man who completes a further 18 years' service, as defined in these Regulations and reckoned from the date which he qualified for the award of the Canadian Medal for Long Service and Good Conduct (Military) or the Long Service and Good Conduct (Army) and whose character and conduct have been irreproachable and who is specially recommended by his commanding officer shall, if in possession of the Canadian Medal for Long Service and Good Conduct (Military), be awarded a clasp to be attached to the ribbon by which the Medal is suspended, or if in possession of the Long Service and Good Conduct Medal (Army) be awarded the Canadian Medal for Long Service and Good Conduct (Military) such additional award being without pecuniary benefit or gain.

(Effective 26th August 1944).

- (l) A warrant officer, non-commissioned officer or man of the Canadian Army Active Force appointed to a commission in that Force subsequent to 2nd September 1939, shall be eligible to qualify for the award of the Long Service and Good Conduct Medal (Military), provided that not less than twelve years' service was completed in the ranks of the Permanent Active Militia, the Canadian Army Active Force, the Regular Army of Great Britain or other Permanent Forces of the Empire.

(Effective 1st May 1947).

- (m) A warrant officer, non-commissioned officer or man of the Canadian Army Active Force appointed to a commission in that force subsequent to 2nd September 1939 who completes the first nine years of the second period of qualifying service in the ranks of the Permanent Active Militia, the Canadian Army Active Force, the Regular Army of Great Britain or other Permanent Forces of the Empire shall, if in possession of the Medal for Long Service and Good Conduct (Military), be eligible to qualify for the award of a clasp to that medal, or, if in possession of the Long Service and Good Conduct Medal (Army) shall be eligible to qualify for the award of the Long Service and Good Conduct Medal (Military).

(Effective 1st May 1947).

- (n) A warrant officer, non-commissioned officer or man who was a member of the Permanent Active Militia prior to 2nd September 1939 and was appointed to a temporary commission in the Canadian Active Service Force shall, for the purpose of qualifying for the Long Service and Good Conduct Medal (Military), or clasp, be entitled to count time holding such temporary commission as service in the ranks.

(Effective 1st May 1947).

- (o) In undress and service uniform when ribbons only are worn the granting of a clasp will be denoted by the wearing on the ribbon of a small silver rose. The rose will not be worn on the ribbon when the Medal is worn.

2. General Orders 1 of 1932 and 556 of 1944 are hereby cancelled.

B. When the application is for the purpose of amending an existing Act,—

108. 110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

(2) In the text of the Bill, on the left hand page, new matter shall be indicated by such typographical means as may best suit the varying circumstances of each case, such as brackets, italics, underlining, asterisks, etc. Opposite each clause, on the right hand page, the enactment amended thereby, or so much thereof as is essential, shall be printed with the proposed changes to be made therein similarly indicated.

(3) When a clause repeals an existing section, subsection or other minor division of a section, that section, subsection or division, or so much thereof as is essential, shall be printed opposite the clause.

(4) A memorandum by the draftsman explaining briefly the reason for each clause, shall be appended to the Bill, or distributed therewith. Whenever practicable the memorandum shall be printed on the right hand page of the Bill, in paragraphs opposite the clause referred to and numbered correspondingly.

CERTIFIED to be true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 19th January, 1948.

THE Committee of the Privy Council have had before them a report dated 13th January, 1948, from the Minister of Mines and Resources, representing:

That an application has been received from Giant Yellowknife Gold Mines Limited of Toronto, Ontario, for a waterfront lease comprising a parcel of land containing one and seven-tenths acres more or less within the boundaries of Aye Mineral Claim Number Twenty-five, adjoining Yellowknife Bay in the Northwest Territories.

That the surface rights of the land affected are vacant and available for the purpose of this application.

The Minister is of the opinion that this application should receive favourable consideration and therefore recommends that pursuant to the Dominion Lands Act, Chapter 113 Revised Statutes of Canada, 1927, authority be granted to issue a lease of the said land, as described hereunder, with the addition of a clause providing that the lease may be terminated or any portion of the land withdrawn from the operation thereof on 'six months' notice, the said lease to be for a term of ten (10) years from the first of January, 1948, at an annual rental of Seventy-five Dollars (\$75.00) payable in advance each year for the first five years, at the expiration of which the amount of rental will be subject to revision for the following five years; the lease may be renewed for further terms of ten years subject to a further revision of the rental at the time of each renewal and again five years thereafter:

Description

All that parcel of land lying and being within the boundaries of the Aye Mineral Claim number twenty-five, adjoining Yellowknife Bay in the Northwest Territories, as said mineral claim is shown as lot two hundred and fifty-two, group nine hundred and sixty-four on a plan of survey thereof approved at Ottawa on the eighth day of August, nineteen hundred and forty-six, by

Frederic Hatheway Peters, Surveyor General, contained in field book of record number twenty-two thousand four hundred and forty-eight in the Legal Surveys Division of the Department of Mines and Resources, Ottawa; which said parcel may be more particularly described as follows:

Beginning at an iron post marked R.W. 20A at the point of intersection of the northwesterly boundary of said Aye mineral claim number twenty-five and the westerly boundary of the Yellowknife Hydro transmission line right of way; thence northeasterly along the northwesterly boundary of said mineral claim, a distance of one hundred and six feet and three-tenths of a foot, more or less, to the point of intersection of the northwesterly boundary of said mineral claim and the easterly boundary of said transmission line right of way, which point is the point of commencement; thence southeasterly and at right angles to the northwesterly boundary of said mineral claim, a distance of one hundred and fifty feet to a point; thence northeasterly and parallel to the northwesterly boundary of said mineral claim, a distance of three hundred and sixty-five feet, more or less to the ordinary high water mark of Yellowknife Bay; thence northwesterly along said high water mark to the point of intersection of said high water mark and the northwesterly boundary of said mineral claim; thence southwesterly along the northwesterly boundary of said mineral claim, a distance of five hundred feet, more or less, to the point of commencement; comprising an area of one acre and seven-tenths of an acre, more or less, subject to the rights of the recorded owner of the mineral claim or claims affecting or which may in future affect the said lands to enter upon, use and occupy the surface of the said mineral claim or claims, or such portion thereof and to such extent as the Minister may consider necessary for the efficient and minerlike operation of the mines and minerals contained in the mineral claim or claims, but for no other purpose, including the right to cut such of the timber on the mineral claim or claims or such portion thereof as may be necessary for the working of the same.

The Committee concur in the foregoing recommendation and submit the same for approval.

A. D. P. HEENEY,
Clerk of the Privy Council.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs, ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçu par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux

cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédient l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction

ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification tou-

chant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et cela doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression; qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000...	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000	600
i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000	800
j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ces promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) ou c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en

vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchement ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

Clerk of the Senate,
Ottawa.

THE SENATE

Notice for Private Bills

EXTRACTS FROM THE STANDING RULES OF THE SENATE

107. All applications to Parliament for Private Bills, of any nature whatsoever, shall be advertised by a notice published in the *Canada Gazette*. Such notice shall clearly and distinctly state the nature and object of the application, and shall be signed by or on behalf of the applicants, with the address of the party signing the same; and when the application is for an Act of Incorporation, the name of the proposed company shall be stated in the notice.

In addition to the notice in the *Canada Gazette* aforesaid, a similar notice shall be given as follows:

A. When the application is for an Act to incorporate,—

1. *A Railway or Canal Company.*—In some leading newspaper published in the principal city, town or village in each county or district through which the proposed railway or canal is to be constructed.

2. *A Telegraph or Telephone Company.*—In a leading newspaper in the principal city or town in each province or territory in which the company proposes to operate.

3. *A company for the construction of any works* which in their construction or operation might specially affect a particular locality or for obtaining any *exclusive rights or privileges*, or for doing any matter or thing which in its operation would affect the rights or property of others.—In a leading newspaper in the particular locality or localities which may be affected by the proposed Act.

4. *A Banking Company; an Insurance Company; a Trust Company; a Loan Company, or an Industrial Company*, without any exclusive powers.—In the *Canada Gazette* only.

5. And, if the works of any company (incorporated or to be incorporated) are to be declared to be for the general advantage of Canada, such inten-

tion shall be specially mentioned in the notice; and the applicants shall cause a copy of such notice to be sent by registered letter to the clerk of each county council and of each municipal corporation which may be specially affected by the construction or operation of such works, and also, to the Secretary of the Province in which such works are, or may be located; and proof of compliance with this requirement by the applicants shall be established by statutory declaration.

B. When the application is for the purpose of amending an existing Act,—

1. For an extension of any line of railway, or of any canal; or for the construction of branches thereto,—the same *mutatis mutandis* as for an Act to incorporate a Railway or Canal Company.

2. For an extension of the time for the construction or completion of any line of railway, or of any canal, or of any telegraph or telephone line, or of any other works already authorized:—In a principal newspaper in the place where the head office of the company is, or is authorized to be.

3. For the extension of the powers of a company (when not involving the granting of any exclusive rights) or for the increase or reduction of the capital stock of any company; or for increasing or altering its bonding or other borrowing powers; or for any amendment which would in any way affect the rights or interest of the shareholders or bondholders or creditors of the company:—In a principal newspaper in the place where the head office of the company is situated.

C. All such notices, whether inserted in the *Canada Gazette* or in a newspaper, shall be published at least once a week for a period of four consecutive weeks; and when published in the Provinces of Quebec and Manitoba shall be in both the English and French languages; and *marked copies* of each issue of all newspapers containing any such notice shall be sent to the Clerk of the Senate, endorsed "Private Bill Notice," or a statutory declaration as to due publication may be sent in lieu thereof.

Every notice by registered letter shall be mailed in time to reach the Secretary of the Province and the clerk of each county council and municipal corporation not less than two weeks before the consideration of the petition by the Committee on Standing Orders; and a statutory declaration establishing the fact of such mailing shall be sent to the Clerk of the Senate.

108. No petition praying for the incorporation of a Railway Company, or of a Canal Company, or for an extension of the line of any existing or authorized

railway or canal, shall be considered by the Standing Orders Committee, until there has been filed with the Committee a map or plan, showing the proposed location of the works, and each county, township, district or municipality through which the proposed railway or canal, or any branch or extension thereof, is to be constructed.

110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

114. Any person seeking to obtain a Private Bill shall deposit with the clerk of the Senate, if it is intended that the Bill shall originate in the Senate, a copy of such Bill in the English or French language, with a sum sufficient to pay for the translation of the same by the officers of the Senate, and the printing of 600 copies in English and 200 in French. The applicant shall also pay the Clerk of the Senate, immediately after second reading and before the consideration of the Bill by the Committee to which it is referred, a sum of \$200, with the cost of printing the Act in the Statutes, and lodge the receipt for the same with the Clerk of such Committee.

The fee payable on the second reading of any Private Bill is paid only in the House in which it is introduced.

Form of a Bill to Amend an Act

60A. (1) In the preparation of Bills amending existing enactments the amendments shall not ordinarily be made by clauses which add or leave out words or substitute words for others, but by clauses which re-enact the section, subsection or other minor division, as it is amended.

(2) In the text of the Bill, on the left hand page, new matter shall be indicated by such typographical means as may best suit the varying circumstances of each case, such as brackets, italics, underlining, asterisks, etc. Opposite each clause, on the right hand page, the enactment amended thereby, or so much thereof as is essential, shall be printed with the proposed changes to be made therein similarly indicated.

(3) When a clause repeals an existing section, subsection or other minor division of a section, that section, subsection or division, or so much thereof as is essential, shall be printed opposite the clause.

(4) A memorandum by the draftsman explaining briefly the reason for each clause, shall be appended to the Bill, or distributed therewith. Whenever practicable the memorandum shall be printed on the right hand page of the Bill, in paragraphs opposite the clause referred to and numbered correspondingly.

8. Only such material shall be cut as is authorized by the permit and cutting shall only be done on the lands described in the permit.

16. No permit shall be transferred or assigned.

17. (1) In each and every permit issued under these regulations, there shall be implied the following conditions and stipulations:

- (a) that dues on timber cut under any permit, which are not paid at the time they become due, shall together with interest, be a lien on any timber cut by the permittee or his agents on Dominion lands.
- (b) that in case of non-payment of such dues and interest, the Timber Agent or a Timber Inspector acting on his behalf, may seize so much of the timber cut under a permit by the permittee or his agent, as will be, in his opinion, sufficient to secure the payment of such dues, interest and the expenses of seizure and sale, and may detain such timber as security for the payment thereof.
- (c) that if payment is not made within three months after such seizure, the Timber Agent may, with the consent of the Director, sell such timber by public auction and after deducting the sum due to the Crown for dues, interest and expenses, he shall pay the balance, if any, to the person who had possession of such timber at the time.

26. Where the permittee is a sawmill owner, he shall maintain his sawmill in such condition that the lumber sawn from the timber cut under the authority of his permit, is manufactured to a standard satisfactory to the Timber Agent or a Timber Inspector, and if he fails to do so after thirty days' notice in writing, the Director may cancel the permit.

27. (1) When in the opinion of the Director, it is desirable in the public interest to dispose of rights to cut timber in an area by competition, the Timber Agent shall, on instructions from the Director, post notices in post-offices in the vicinity of such area and invite tenders.

DEPARTMENT OF EXTERNAL AFFAIRS,
CANADA

Ottawa, February 19, 1948.

UNDER the provisions of the peace treaties which Canada has signed with Italy, Roumania and Finland, Canada, as an Allied and Associated Power, has the right to re-examine the decisions of all enemy Prize Courts during the war, and where it finds that any such decisions were not in conformity with international law, the ex-enemy country concerned is required to set the decisions aside and to revise them as Canada shall indicate. In this matter all three peace treaties are substantially the same. The reference in each peace treaty is as follows:

Annex XVII A of the peace treaty with Italy and Annex VI A of each of the peace treaties with Roumania and Finland.

Under the provisions of each of the four peace treaties with Italy, Roumania, Hungary and Finland, these ex-enemy governments are obliged to enable the nationals of any of the United Nations to submit for review any judgments given in the courts of these respective ex-enemy countries during the war, in cases where the national of a United

Nation had been unable adequately to present his case, either as plaintiff or defendant. This obligation is imposed on the government concerned during the period of one year commencing from the date of the coming into force of the peace treaty concerned. With respect to Italy this period expires on September 15, 1948, and with respect to Roumania, Hungary and Finland the period expires on September 19, 1948. In this matter all four peace treaties are similar. The reference in each is as follows:

Annex XVII B of the treaty of peace with Italy,
Annex VI of the treaty of peace with Hungary,
and

Annex VI B of each of the treaties of peace with
Roumania and Finland.

Annex XVII of the treaty of peace with Italy on the subject of Prize Courts and Judgments reads:

"A. Prize Courts

Each of the Allied and Associated Powers reserves the right to examine, according to a procedure to be established by it, all decisions and orders of the Italian Prize Courts in cases involving ownership rights of its nationals, and to recommend to the Italian Government that revision shall be undertaken of such of those decisions or orders as may not be in conformity with international law.

"The Italian Government undertakes to supply copies of all documents comprising the records of these cases, including the decisions taken and orders issued, and to accept all recommendations made as a result of the examination of the said cases, and to give effect to such recommendations.

"B. Judgments

The Italian Government shall take the necessary measures to enable nationals of any of the United Nations at any time within one year from the coming into force of the present Treaty to submit to the appropriate Italian authorities for review any judgment given by an Italian court between June 10, 1940, and the coming into force of the present Treaty in any proceeding in which the United Nations national was unable to make adequate presentation of his case either as plaintiff or defendant. The Italian Government shall provide that, where the United Nations national has suffered injury by reason of any such judgment, he shall be restored in the position in which he was before the judgment was given or shall be afforded such relief as may be just and equitable in the circumstances. The term 'United Nations nationals' includes corporations or associations organized or constituted under the laws of any of the United Nations."

It is suggested that any persons or organizations desiring more complete information on the texts of these four peace treaties, should write to the King's Printer and Controller of Stationery, Ottawa, for copies of these treaties. References are as follows:

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs, ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçu par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux

cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction

ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification tou-

chant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et cela doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examineur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000.....	600
i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000.....	800
j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ces promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) ou c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de réviser tous les bills privés antérieurement à leur impression, en

vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchement ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

- (2) Employees of the Department and members of the Royal Canadian Mounted Police located in the Territory are authorized to act under the direction of the Timber Agent in administering and enforcing these regulations and are authorized to issue timber permits in accordance with the provisions of these regulations, except permits issued under the provisions of Section Twenty, hereof.
- Applications and Permit Conditions*
4. An application for a timber permit shall be made to the Timber Agent on a form to be furnished by the Department for the purpose.
5. Applications for the cutting of green timber may be refused if there is available a sufficient quantity of dry timber which in the discretion of the Timber Agent, is suitable for the applicant's requirements.
6. Except with the consent of the Director, permits shall not be issued to cut green timber on areas where it is deemed by a Forest Officer that proper forest management requires the prohibition of such cutting.
7. The Timber Agent may add special conditions to a permit to ensure that cutting operations are conducted in accordance with approved silvicultural methods and that logging roads are constructed with a minimum of damage to standing timber.
8. Only such material shall be cut as is authorized by the permit and cutting shall only be done on the lands described in the permit.
9. No trees shall be cut higher than eighteen inches from the ground without special permission from the Timber Agent or a Timber Inspector and when conditions permit, he may direct that no trees shall be cut higher than twelve inches from the ground.

15. A permit shall authorize the holder thereof, to cut, process, and remove the quantity of timber authorized thereby, but it shall not convey to the permittee the exclusive use of the land described therein.
16. No permit shall be transferred or assigned.
17. (1) In each and every permit issued under these regulations, there shall be implied the following conditions and stipulations:
- (a) that dues on timber cut under any permit, which are not paid at the time they become due, shall together with interest, be a lien on any timber cut by the permittee or his agents on Dominion lands.
- (b) that in case of non-payment of such dues and interest, the Timber Agent or a Timber Inspector acting on his behalf, may seize so much of the timber cut under a permit by the permittee or his agent, as will be, in his opinion, sufficient to secure the payment of such dues, interest and the expenses of seizure and sale, and may detain such timber as security for the payment thereof.
- (c) that if payment is not made within three months after such seizure, the Timber Agent may, with the consent of the Director, sell such timber by public auction and after deducting the sum due to the Crown for dues,

interest and expenses, he shall pay the balance, if any, to the person who had possession of such timber at the time.

- (d) that if no bid equal to the amount due to the Crown is made at the public auction, such timber may be disposed of by private sale.

The sketch shall contain sufficient data to admit of the position of the location applied for being definitely shown in the records

of the Department. The location applied for, shall be as nearly as possible rectangular in form and shall be marked by four legal posts (or under special circumstances, posts satisfactory to a timber inspector) firmly fixed in the ground, one at each corner, but in case the tract applied for is not rectangular, one post shall be placed at each corner thereof. On each post shall be written a legible notice containing the full Christian and surname of the applicant, the date of staking, the nature of the application, the area applied for, and the distance in feet to the next post. Should the Timber Agent or a Timber Inspector so require, the lines joining the posts shall be blazed by the applicant.

25. In areas where, in the opinion of the Timber Agent or a Timber Inspector, there is a market for fuelwood, the permittee shall make the tops of trees not utilized for other purposes, into fuelwood, and shall pay dues thereon at the rate set out in the Schedule hereto.

26. Where the permittee is a sawmill owner, he shall maintain his sawmill in such condition that the lumber sawn from the timber cut under the authority of his permit, is manufactured to a standard satisfactory to the Timber Agent or a Timber Inspector, and if he fails to do so after thirty days' notice in writing, the Director may cancel the permit.

27. (1) When in the opinion of the Director, it is desirable in the public interest to dispose of rights to cut timber in an area by competition, the Timber Agent shall, on instructions from the Director, post notices in post-offices in the vicinity of such area and invite tenders.

(2) The Timber Agent may issue a permit to cut timber in such area to the person who offers and pays the highest cash bonus over and above the payments required to be made pursuant to Section Twenty of these regulations.

The holder of any mineral claim by entry or lease located on vacant Dominion lands under the Yukon Quartz Mining Act, shall be entitled to cut without permit and free of dues such of the timber on his claim or such portion thereof as may be necessary for the working of his claim, but not for barter or sale, provided that the rights to cut such timber have not already been granted and disposed of prior to the date of entry of the mineral claim. claims. The holder or holders of a group of mineral claims shall not, however, remove timber from one group of mineral claims for use on another group of mineral claims without obtaining a timber permit and paying dues in accordance with these regulations.

34. The holder of a placer claim acquired under the provisions of the Yukon Placer Mining Act may cut timber not otherwise acquired, for his own use and for any purpose incidental and necessary to the operation of his claim, but not for barter or sale.

(2) The cut of timber on any working circle, in any year or period of years, shall be restricted in amount to the estimated growth for the year or period subject to such adjustments as a Forest Officer may find necessary to increase or decrease the total amount of growing stock in order to convert from an unregulated forest to a managed forest.

(3) The forest working plan shall make provision for the regeneration of the forest during or after cutting, either by natural or artificial means, and shall specify the silvicultural cutting method or methods and the conditions under which each shall apply; the length of the rotational age for each class of forest in the working circle; the location and estimated amounts of timber to be cut during the next ten years; and any other relevant information considered necessary for the proper management of the working circle.
